

The Great Dunbartonshire Ice Off Challenge 2016

Dunbartonshire Trefoil invite all units to take part in this fun challenge. We are looking for Rainbows, Brownies, Guides and Senior Section to decorate a map of Scotland using fondant icing and other cake decorating equipment. We would like to see mountains, rivers, bridges, castles, animals and famous landmarks displayed on the map.

The Challenge will run from 1st of February until the 20th of April, your commissioner will be in touch to explain how the challenge will be judged in your area. Please invite a member of the Trefoil along to your event to join in the fun, and we also want to see lots of photos of all the entries.

Each team will require an A1 size outline map of Scotland, this can be copied or hand drawn (but it's the 3D part of the Map that's the fun and important part!)

Badge will cost £1

The final will be at Catterburn on the 23rd of April, and each Division can put forward 1 team from each section with up to 6 girls making a team.

Rainbows 09:15 - 11:15
Brownies 11:30 - 13:30
Guides & SS 13:45 - 15:45

More info will follow once your teams have been decided.
